

## **EPIC COIN - MASTERNODE PROMOTION SPONSORED BY MICHAEL BLAST AUSTRALIA**

### **WHY EPIC COIN?**

[EPIC Coin](#) isn't just about masternodes here is some exciting news

- Our peer to peer [EpicTrader.io](#) Platform is about to released during Q1 2019.
- There will be a major press release FEB 19th that will surely rock the crypto space, Our future is looking very bright!
- More exchange listings are underway for Q1 2019

The extra bonus of owning [EPIC](#) masternodes is that each financial quarter, masternode holders will be receiving up to 50% of all fees generated via the [EpicTrader.io](#) Platform which will be shared between all the masternodes on the [EPIC](#) blockchain.

The supply of [EPIC](#) Coin is extremely low when compared to most other cryptocurrency projects with only approx 7.7 million in current total available supply and with approx 4.9 million already stored in masternodes our circulating supply makes [EPIC](#) the most desireable coin to own.

You will have plenty of time to accumulate the amount needed to start your first masternode or add onto existng holdings. With this new major increase of awareness of the [EpicTrader.io](#) Platform we expect the holding interest to rise dramatically, we will be the premiere store of wealth coin.

Stability and ROI in this time of financial instability is why [EPIC](#) Coin should be your first choice.

The EPIC Coin project and sponsor [Michael Blast Australia](#) will be host to one of the most appealing masternode giveaways within the cryptocurrency sector to date! With a prize pool totalling OVER \$20,000USD (At the time of writing)
